<p>1. When [REDACTED] passed through [REDACTED] enroute to his [REDACTED] assignment, he suggested SIS request copies of the ORR branch contributions to NIEs on Communist China. SIS, of course, regularly receives the ORR office contribution to NIEs on the Soviet Bloc, but since Communist China is of primary importance in this area, the more detailed analysis that would be contained in the branch contributions would be most useful to us. Since a new NIE on China is in process, SIS requests that, if at all possible, it be furnished copies of the branch submissions.</p> <p>2. Please consider this as a continuing request applicable to all future estimates concerning Communist China and including Sino-Soviet relations. SIS would also appreciate a similar service for estimates on the Asian Satellites, North Korea and North Vietnam, if and where appropriate.</p> <p style="text-align: right;">25X1A9a</p> <p style="text-align: right;">[REDACTED]</p> <p>8 March 1960</p> <p>Distribution:</p> <ul style="list-style-type: none"> 2 - Chief, ORR 1 - Chief, DD/I 1 - Chief, FE 1 - SIS 1 - CRR <p><i>SAIRR decided to ignore request since the station personnel will be smaller soon and these studies could not be much use since they are restricted "ORR internal use only" for</i></p>
